Winter Construction adds superintendent, project manager to special projects group

Winter Construction's special projects group, WinterSPACES, recently expanded its team with the appointment of **William J. Ruppel** as superintendent and **Kristopher Leary** as project manager. The firm is based in Atlanta, Ga.

Ruppel rejoins the firm, where he was previously responsible for all phases of construction. He has held superintendent positions with Brasfield & Gorrie, Cork-Howard Construction Company and Parker &

William J. Ruppel

Company. Ruppel is LEED accredited and has completed continuing education courses with OSHA and the ARC Community Service Department of Atlanta.

Kristopher Leary

Leary brings more than 25 years of experience to his role as project manager. He played an important role in more than \$34 million in build-out projects, including corporate headquarters, regional offices, medical facilities, universities, county facilities,

research and development spaces, retail and restaurants. He has held project management positions with Complete Commercial Builders, Ritchey Enterprises, Tower Interior Construction and RAVEN Construction.
