Jim Davenport joins Winter Construction as Business Development Manager

ATLANTA (October 25, 2012) – Winter Construction recently expanded its team with the appointment of Jim Davenport as Business Development Manager for the company's commercial business unit.

Davenport joins Winter Construction with 27 years of experience. Jim comes to Winter from the commercial real estate industry that included stints at Newmark Grubb Knight Frank and Richard Bowers & Company.

"Jim Davenport brings a unique background to this role at Winter Construction, combining diverse relationships with more than 27 years in business development," said Tom Nichols, Executive Vice President. "Jim has experienced firsthand the industry's highs and lows and understands the challenges that the construction industry faces. Davenport is a huge asset to the Winter Construction team."

Jim is a graduate of the University of Georgia and married with two children.

About Winter Construction:

Winter is a privately owned and operated Atlanta based construction management and general contracting company. Winter provides construction and environmental services to clients in the hospitality, retail, government, education, corporate/office, religious, healthcare, historic restoration, industrial and multifamily markets in the Southeast and Mid-Atlantic.
